

QUIKRETE®

QUIKRETE® PLAY SAND

QUIKRETE® Play Sand® (No. 1113) is washed and completely dried to give you the best possible sand available for play boxes.

- Ideal for building & molding.
- Perfect for use in play boxes and under swing sets.
- Screened, washed and dried.
- Contains approx. ½ cubic foot (14 L) of Play Sand®.
- Dampen Play Sand® to improve packing, forming and shaping characteristics and to minimize dust.
- When not in use, Play Sand® may be covered with polyethylene film or plywood to help maintain cleanliness of the sand.

PLAY SAND® Calculator

Square Feet (M ²)	9 (0.8)	16 (1.5)	25 (2.3)	36 (3.3)
Play Box Size	3'x 3'	4'x 4'	5'x 5'	6'x 6'
Number Of 50lb. Bags Needed For:				
4" (100mm) Deep	6	11	17	24
6" (150mm) Deep	9	16	25	36
8" (200mm) Deep	12	21	34	48

QUIKRETE®

QUIKRETE® PLAY SAND®

La arena QUIKRETE® Play Sand® (N.º 1113) se lava y se seca por completo para brindarle la mejor arena posible para los areneros.

- Ideal para construir y moldear.
- Ideal para utilizar en areneros y debajo de columpios.
- Filtrada, lavada y secada.
- Contiene aproximadamente ½ pie cúbico (14 L) de Play Sand®
- Humedezca la arena Play Sand® para poder comprimirla, moldearla y darle forma con más facilidad, y para minimizar el polvo.
- Cuando no utilice la arena Play Sand®, puede cubrirla con una capa de polietileno o de madera contrachapada para mantenerla limpia.
