QUIKRETE® LAUNCHES “WALK THIS WAY” CONTEST
Cash Prizes Awarded for Best Concrete Walkway or Patio Projects

ATLANTA (Oct. 6, 2014) – Fall is a great time to transform your front or backyard with a beautiful, durable concrete walkway or patio, but misperceptions about the time and expense associated with completing the project concern some homeowners. The QUIKRETE® Companies, the leading manufacturer of packaged concrete and related products for the building and home improvement markets, is inspiring homeowners to create a concrete walkway or patio through the “Walk This Way” contest, which will award cash prizes for the best projects.

“Unlike brick and stone, which can be expensive and difficult to install, using our plastic WalkMaker® forms and pre-mixed packaged concrete makes it easy and affordable to make a path or patio,” said Frank Owens, Vice President Marketing for The QUIKRETE® Companies. “This approach allows homeowners to successfully tackle projects ranging from a simple garden path to an elaborate outdoor entertainment area. In addition, homeowners can create paths or patios that really reflect their personal taste and style.”

Homeowners can enter the “Walk This Way” contest from Oct. 6 – Nov. 2, 2014 by making a concrete walkway or patio using a QUIKRETE® Walkmaker® form and posting the before-and-after project photos on the [QUIKRETE® Facebook page](#). The QUIKRETE® Facebook page will also provide “Walk This Way” contest details and rules as well as offer project assistance through an instructional, step-by-step how-to video. Homeowners can select one of four Walkmaker® patterns including Basket Weave Brick, Country Stone, European Block and Running Bond Brick for their project, which must be made with QUIKRETE® Concrete Mix, QUIKRETE® Fast-Setting Concrete Mix, QUIKRETE® Crack Resistant Concrete Mix or QUIKRETE® 5000 Concrete Mix. Homeowners can also elevate the decorative flare of their project by using one of five QUIKRETE® Liquid Cement Colors.
