**“QUIKRETE®, PAVESTONE®, CUSTOM® RETURN AS PARTNERS ON THE  
PREMIERE OF “HOME FREE” THURSDAY, JUNE 16 (9:00 PM ET/PT) ON FOX”  
*Heisman Trophy Winner Tim Tebow to Co-Host with  
Famed Professional Contractor Mike Holmes for the Second Season***

ATLANTA (June 16, 2016) – [QUIKRETE®](#), [Pavestone®](#) and [Custom® Building Products](#) returns to [HOME FREE](#), FOX’s unscripted competition series that takes an inspirational turn in Season Two, which premieres on Thursday, June 16 (9:00-10:00 PM ET/PT). This time around instead of competing for themselves, contestants will compete to win their personal hero a dream home. In addition, former NFL player, Heisman Trophy winner and sports analyst Tim Tebow will take the game to a new level, co-hosting alongside famed professional contractor Mike Holmes, who returns for season two along with building material partners [QUIKRETE®](#), [Pavestone®](#) and [Custom® Building Products](#).

On Season Two of HOME FREE, the competition is bigger and better than ever. Each week, Holmes and Tebow will challenge and motivate the contestants to build a new home, testing their skill levels, will and strategy. The contestants who work the hardest for their hero move forward, while the contestant who doesn’t perform up to code will face elimination. Holmes and Tebow will be with the competitors every step of the way – picking apart their work and demanding they meet their high standards, while also sharing their expertise and guidance to help them reach new heights. When only two remain, they will fight to the finish to win their hero the ultimate dream home, and take home a surprise \$100,000 grand prize for themselves.

[QUIKRETE®](#), [Pavestone®](#) and [Custom® Building Products](#) are challenging HOME FREE viewers to identify their products on each episode during Season Two and share on the QUIKRETE [Facebook](#) page for a chance to win prizes.
